First New Torah in 60 Years Dedicated in Yonkers

The City of Yonkers recently unveiled its newest public artwork dedicated to the downtown waterfront created by the prominent Yonkers-based artists Paul Greco and Luisa Baptista.

By Robert Kalfus

Brothers Izzy and David Schwartz, and their sister Mira Cymerman, and their families dedicated a new Torah written in loving memory of their parents, Fred and William Schwartz, and donated the new Torah to the Chabad of Yonkers/Greystone Jewish Center on July 14.

“This was an event not to be missed – the first dedication of a New Torah to our community,” said Spano.

In what has become an annual summer-time learning tradition, JCY-Westchester Community Partners is once again sponsoring its Summer Reading Buddies program. Read with children over the summer to help them keep up their literacy skills and prevent what’s known as the “summer reading slide,” which is when kids slide backwards in their reading skills.

JCY-Westchester Community Partners expects between 400 and 500 children per session, so plenty of reading mentors are needed.

To help make a difference in the life of a child, contact Madeline Finesmith at mfinesmith@jcy-wcp.com for more information and to sign up. Each year, well-known officials in Yonkers are signers on this program.

Yonkers Mayor Mike Spano recently announced his appointment of Yonkers Police Deputy Chief John Mueller as the city’s new police commissioner. Mueller will serve as acting commissioner starting July 25, pending Yonkers City Council confirmation. He will replace outgoing Commissioner Charles Garbo, who is retiring after 46 years of service.

Mueller’s appointment comes after serving the Yonkers Police Department for 25 years and holding various leadership positions, including most recently as commanding officer of the Investigative Services Bureau, which is responsible for investigatory activities within the Yonkers Police Department.

“Chief Mueller has been a shining star in our police department for decades,” said Spano. “John has risen amongst the ranks with honor, demonstrating his in-depth knowledge, training and dedication to the men and women of our police force. We look forward to working with him and continu-

Mueller Tapped to Be Next Yonkers Police Commissioner

Life Rank Boy Scout Ethan Hernandez, with the assistance of 14 volunteers, recently renovated St. Mary’s Field on Shermantown Place – part of Sacred Heart Church – as part of his required community service project in his quest to earn the highly-coveted rank of Eagle.

The Sept. 11, 2001 memorial at St. Mary’s Field was restored by future Eagle Scout Ethan Hernandez. The project is the final step for Hernandez to become an Eagle Scout.

The renovation involved expansion of a 911 memorial, adding plants and mulch, and installing a 20-foot flagpole and a stone border.

“This was an event not to be missed – the first dedication of a New Torah to our community,” said Spano.

This summer at the Riverfront Library, the Reading Buddies program puts young readers back at Riverfront Library.

Yonkers Launches CodeRED Alert System

Send your story ideas, photos, announcements and upcoming events to us at dmurphy@risingmediagroup.com

The Hudson River Museum recently announced the launch of the CodeRED community notification system to send important alerts and time-sensitive messages to city residents and staff members. Along with emergency and critical messages, CodeRED will also enhance community engagement via the release of important but non-emergency information, such as road closures and trash collection schedule changes, snow plow schedules, neighborhood films, concerts, festivals and other city services.

“After listening to the concerns of residents about the previous notification system and evaluating other available options, we chose CodeRED for its innovative features, user-friendly platform, and wide-spread adoption across the country,” said Spano. “Their mobile technology for CodeRED is extremely advanced, providing us enhanced flexibility to issue general and/or emergency messages from any location,” said Bob Cacace, City of Yonkers chief information officer. “We’re excited to expand our communication channels with residents to include text, phone, email and social media platforms, providing the information they need to make better informed decisions during an emergency.”

CodeRED delivers several benefits for residents and enables staff to more efficiently manage and distribute notifications before, during and after emergency and non-emergency events.

Registration for this notification service is customized, allowing residents to choose which alerts they’d like to receive, as well as their preferred channel. Also, users can select several different methods including landline, cell phone, email, text message, TV, or even a combination. These alerts can be specific to streets, neighborhoods or regions, so individuals within affected areas are sure to receive relevant information.

Residents and visitors can stay up to date and sign up for alerts with the CodeRED Mobile App, which notifies smartphone holders of real-time alerts in the area. Similar to the online registration, users choose which notifications they’d like to receive via the app.

“The mobile technology for CodeRED is extremely advanced, providing us enhanced flexibility to issue general and/or emergency messages from any location,” said Bob Cacace, City of Yonkers chief information officer. “We can launch alerts from anywhere at any time, and residents impacted by weather and other time-sensitive events will receive them directly to their smartphones. This all happens within minutes, which can make a huge difference in saving lives.”

All residents are encouraged to sign up for CodeRED at www.yonkersny.gov and immediately start receiving informative, life-saving alerts.

The Hudson River Museum recently announced the launch of the 2019 Centennial Summer Amphitheater Series featuring a dynamic mix of performances Friday and Saturday evenings through Aug. 16.

All performances are free and begin at 8 p.m., with doors opening at 7 p.m. The 400-seat outdoor amphitheater boasts a stunning view of the Hudson River and the Palisades. The museum will also offer free admission Friday and Saturdays from 5 to 7 p.m., and free planetarium shows at 7 p.m. through Aug. 31.

Parking is available.

Friday, July 26, 8 p.m. – Charlie Legend and Friends: Peza, Levy & Other Grooves. World-class musician and woodwind player Charlie Legend has performed around the world with his own bands as well as alongside renowned artists Woody Herman, Bucky Pizzarelli, The Jacks Five, The Temptations, Natalie Cole, and Kid Creole & the Coconuts. Charlie and his band will perform soulful arrangements from inspirational songs spanning all genres and eras, Mark your calendars for lift off for the ultimate interactive entertainment experience.

Friday, July 26, 8 p.m. – That’s What She Said. From groupthink to gender performativity, the Neo-Futurists’ longest-running show of the year returns for another year, combining 30 original plays performed in random order, a theatrical race against an on-stage clock set for one hour. Each play offers something different, be it funny, profound, elegant, disquieting, topical, irrelevant, terrifying, or a song, all artful and true. The hit comedy that inspired the beloved international tour, "That’s What She Said.

Saturday, Aug. 3 – "NY Neo-Futurists: The Infi nite Wrench." A new way to experience theatre, "The Infi nite Wrench" is a barrage of 50 original plays performed in random order—a theatrical race against an on-stage clock set for one hour. Each play offers something different, be it funny, profound, elegant, disquieting, topical, irrelevant, terrifying, or a song; all artful and true. The hit comedy that inspired the beloved international tour, "That’s What She Said."

Parking is available.

55 PALMER AVENUE IN BRONXVILLE
When a threat is detected, the animal should be reported to a health care provider and the Viva Brazil dancers should be contacted. The Viva Brazil dancers are familiar with Brazilian culture and can provide guidance on how to handle the situation.

Residents who see a stray or wild animal should be cautious and keep a safe distance. If an animal is suspected of having rabies, they should avoid touching it. If they do come into contact with the animal, they should wash their hands immediately.

In conclusion, taking precautions and being aware of the signs of rabies is crucial. By following these guidelines, we can help protect ourselves and our pets from this potentially deadly disease.

Luxury Home Sales Decline in Westchester Are SALT Deductions to Blame?

By Dan Murphy

A friendly in the real estate business in Westchester told me that a good measure for how much high-end, luxury homeowners pay in property taxes can be based on the value of the home. For every $1 million in value of a home, $20,000 in property taxes will be paid by the homeowner each year.

I then realized that for a $4 million

$15 million in Westchester, the property taxes on that home will be $80,000 to $100,000 per year, and with the passage of tax reform, Washington, D.C., Westchester homeowners now have a $10,000 maximum that they can deduct in real estate taxes and in state income taxes.

It was only a matter of time before many believed the limits placed on state and local property taxes would impact real estate sales in Westchester. The number of luxury homes sold north of New York City continues to decline, as the consequences of tax reform, a soft

NY Streets to Partner with Alzheimer’s Assoc. at July 21 Game

The New York Streets and the Alzheimer’s Association will partner to educate the Hudson Valley community and fans about Alzheimer’s disease during the final home game of the Streets’ regular season, when they host the Carolina Cobras at 7 p.m., Sunday, July 21 at the Westchester County Center.

The Alzheimer’s Association will have a table at the Westchester County Center during the game with staff on hand to talk about the organization’s programs, services and

all ages are living with Alzheimer's dementia or other dementias is estimated at 34.4 million, including 5.8 million Americans age 65 or older.

An estimated 5.8 million Americans of all ages are living with Alzheimer’s dementia in 2019, including 200,000 under the age of 65. Barring the development of medical breakthroughs, the number of people age 65 and older with Alzheimer’s dementia may nearly triple from 3.5 million in 2018 to 10.5 million in 2050.

Alzheimer’s is the sixth-leading cause of death in the U.S., and is the fifth-leading cause of death for those age 65 and older. Total national cost of caring for those with Alzheimer’s and other dementias is estimated at $279 billion (not including unpaid caregiving costs) in 2019, of which $519 billion is the cost to Medicare and Medicaid, out-of-pocket costs represent $63 billion of the total payments, while other costs total $52 billion.

More than 16 million Americans provide unpaid care for people with Alzheimer’s or other dementias.

Fans can find a cure by participating in the Walk to End Alzheimer’s, held at more than 600 locations nationwide. The Westches-
ter Walk to End Alzheimer’s will be held Sept. 29 at SUNY Purchase. More information about the walk is available at alz.org/walk.

Dear Mr. Murphy:

I’m interested to find a recent article was in fact a reference from the state wording for the use of “undocumented.”

Apparently, there is a deliberate intent of the use of “undocumented” and another of “illegal” within the context.

The use of “undocumented” could refer to overstaying a Visa, whereas “illegal” is presumed to mean sneaking over the border.

Both are “illegals,” but the use of “undocumented” is a direct intent to make an individual appear unpredictable or a victim.

Another scam from Cuomo cohorts.

VISA, whereas “illegal” is presumed to mean sneaking over the border.

You will be able to support the Alzheimer’s Assoc. at July 21 Game

Counties Reaches Deal With Starbucks For Price Listings

The Department of Consumer Protection in Westchester has entered into an agreement with Starbucks to provide prices on a monthly basis to aid residents with the search of restaurants.

County Legislator Colin Brown, who represents the 14th District, said, "The residents of the 14th District are excited about this new initiative as it increases transparency regarding prices and the ability of those who are blind or visually impaired to access them. This agreement will also provide a venue for those who are concerned about transparency and the ability to make informed consumer decisions before making a purchase."
**ABUSED BY CLERGY IN NEW YORK!**

If you or a relative or a close child friend or neighbor has suffered abuse by clergy, you are not alone. New York law now allows you to take action against the perpetrator and institution that protected him or her.

Plan a Summer Visit to Untermyer Gardens

Untermyer Gardens is located a city park in Yonkers overlooking the Hudson River. The gardens have been undergoing an extensive renovation since 2011 with beautiful and creative results, including a walled Persian garden, vista steps, gatehouse, Temple of Love and a stone and stream garden.

Whether you know this park from the days of your childhood or you have not been there recently, or you are entirely unfamiliar with it, it is always worth a visit. Open seven days a week, admission is always free. There are also Westchester guided tours every Sunday through October, which provide a two-hour introduction to the interesting history of Untermyer Gardens. Enjoy a tour of the beautiful Untermyer Gardens this summer.

Engel Supports 9/11 Victim Compensation Fund

Thanks Jon Stewart For Advocacy

Actor Jon Stewart with Congressman Eliot Engel, who helped get passage and extension of disability benefits for 9/11 responders.

Congressman Eliot Engel last week dead- lined remarks on the House floor in support of permanent reauthorization of the 9/11 Victim Compensation Fund.

"We all remember where we were on that fearful day of Tuesday, Sept. 11, 2001," he said. "Today, we finally make permanent our nation’s commitment to care for the heroes of 9/11 and their families... We all know that within the first few seconds of this horrific attack on the World Trade Centre, our brave first responders rushed toward the wreckage to help their fellow Americans. And as we said before, many of the 9/11 first responders and the survivors are now living with serious illnesses due to toxic pollutants that filled the air at ground zero... Many of those friends and advocates are no longer with us. "Congress created the Victim Compensation Fund in 2001, which committed to those Americans and their families that we will take care of those who rushed to the scene. I was proud to be an original cosponsor of the initial bill and its subsequent reauthorizations in 2010 and 2015. Today, I, L.R. 122, keep Congress' promise to our 9/11 responders and survivors.

"Engel said he has never seen the New York delegation work as well together. "I want to thank the hard work of Mr. Nadler, Mr. Murphy, and all the people for their leadership on this and we hope it gets pased soon in the other body," he said.

Movies Under the Stars

At Kensico Dam Plaza

"How to Train Your Dragon 3: The Hidden World" was a huge hit when it was released earlier this year. In this PG-rated, animated comedy, Hiccup discovers that Toothless is not the only Night Fury. Hiccup must then seek "The Hidden World" after a hired tyrant named Grimmel finds it first. Nothing says summer like watching a nighttime outdoor movie, so pack a picnic, grab a blanket and bring your family and friends to see "How to Train Your Dragon 3: The Hidden World" on Friday, Aug. 2 at Kensico Dam Plaza in Valhalla. The film is part of the Entergy Screenings Under the Stars free outdoor movie series.
